## MURANO - A STRONG, UNIQUE HOTEL BRAND

---

Enjoy the charm of the Red City and discover the Murano Resort Marrakech resort, a haven of peace gently shaded by olive trees, combining Moroccan tradition and contemporary design, authenticity and modernity, audacity and elegance...

## AN OASIS OF PEACE JUST SECONDS AWAY FROM THE RICH, OCHRE CITY

With the medieval ramparts as a wall of protection and the lush vegetation of its gardens as a cocoon, Marrakech is full to the brim with culture, traditions, flavors and light, making it a dream location for your holiday, surprise getaway, wedding, honeymoon, pool party or more.

Just few hours from the main European capitals, Marrakech offers sun and warm temperatures all year long. With the tourism industry constantly growing and good political stability year on year, the Red City remains the country's touristic capital and is also the Moroccan city with the most palaces.

Moreover, the program Vision 2020 plans to increase the Kingdom's attractiveness for domestic and family tourism as well as to emerging markets, in order to reach 20 million tourists. This strategy, driven by the opening of 57 new airlines and the development of a new range of cultural and leisure activities of international standing, will enable Marrakech to become one of the top 20 tourist destinations in the world.

Located in the heart of the Golden Triangle, at the northeast of Marrakech, Murano Resort Marrakech is just 20 minutes from the airport and 15 minutes from the Medina, which attracts a wonderfully international clientele. Nestled in the legendary Palmeraie since 2006, the hotel invites each guest to discover a place preserved from the hustle and bustle of the city, an oasis of peace combining Moroccan tradition and sleek design...at the edge of the Atlas.

## 4 POOLS IN THE HEART OF LUSH VEGETATION ....

---

The main Red Pool has distinguished Murano Resort Marrakech apart from its competition since its opening. This atypical pool has contributed to the fame of the property and offers an exceptional panorama by night thanks to its magical colours which are projected in all directions. Three blue pools gently punctuate the resort allowing the guests of each Riad to plunge into a world of ultra-relaxing, chilled out well-being.

## 24 ROOMS COMBINING TRADITION AND MODERNITY

Partitioned into 5 villas conceived as Riads, the resort's 24 rooms and suites - most of them featuring fireplace and private terrace - offer stunning views over the gardens and the Atlas mountains; a unique situation that gives breakfasts, lunches and aperitifs an exceptional taste.

In terms of decoration and interior design, the Murano Resort Marrakech features a typically oriental atmosphere combining a beautiful Moroccan mansion with the comfort of an upscale resort! White stucco walls, sheer curtains, black marble bathrooms and traditional woodworks gracefully decorate the rooms and suites. The four-poster beds and their giant pillows invite you to dream. The welcome products, based on essential oils are made especially for the hotel. Each room has a 42-inch LCD screen and free unlimited Wi-Fi access.

## A GASTRONOMIC OFFER BETWEEN THE EAST AND THE WEST

---

With its bright red armchairs, white stucco walls, bejmat style floors, the restaurant attracts both a local and international clientele that appreciates the intimacy of the place as much as multicultural flavours of its creations. Paying tribute to the generous Moroccan tables and the finesse of French gastronomy, the hotel presents a menu à la carte full of colours and sensations, wild with waves of taste from here, there and everywhere, which send you all over the world on an adventure for your taste buds. The restaurant can welcome up to 50 guests and its Sunday brunch buffet is a foodie must-see destination in Marrakech.

## TWO BARS FOR TWO UNIVERSES

---

Dressed in black and white padded walls coordinating with the floors in order to create a sober and elegant design, the first bar offers a cosy and refined universe, appreciated by our international clients.

The second, nestled at the main pool's edge allows guests to cool off until sunset, under the gardens peacefully shaded areas next to the palm trees and olive trees of the resort.

These two bars offer a variety of drinks, to savour throughout the day, inside or outside.
